**A. COMPANY AND TELECOMMUNICATION SERVICE INFORMATION**

(A-1) Please indicate the type of telecommunications services that you want to provide in Arizona and mark the appropriate box(s).

- ☒ Resold Long Distance Telecommunications Services (Answer Sections A, B).
- ☐ Resold Local Exchange Telecommunications Services (Answer Sections A, B, C).
- ☒ Facilities-Based Long Distance Telecommunications Services (Answer Sections A, B, D).
- ☐ Facilities-Based Local Exchange Telecommunications Services (Answer Sections A, B, C, D, E)
- ☐ Alternative Operator Services Telecommunications Services (Answer Sections A, B)
- ☒ Other intra and interLATA private line services (Please attach complete description)

TDS Long Distance Corporation ("TDS LD" or "the Company") seeks authority to provide facilities-based interexchange telecommunications services in Arizona. For the past nine years, toll services have been provided via TDS LD's various underlying long distance carriers. TDS LD, however, seeks resold and facilities-based interexchange authority so that it can have the flexibility in provisioning such services in the future.

Telecommunications services provided by TDS LD in Arizona already include Message Telecommunications Service (MTS)/Direct Distance Dialing, Wide Area Telecommunications Service (WATS), post paid calling card, 1+ dialing, 800/toll free service, directory assistance and operator services. The Company also seeks authority to offer intra and interLATA private line services.

The Company uses a combination of underlying carriers and, in the future, may use its own facilities depending on the market being served. The company currently owns some Class 4 switches which, in the future, may be used in Arizona.

(A-2) The name, address, telephone number (including area code), facsimile number (including area code), e-mail address, and World Wide Web address (if one is available for consumer access) of the Applicant:

Note: Make sure "most recent years" includes current calendar year or current year reporting period.

The Company considers this information proprietary and can provide the information directly to Staff if requested.

(B-3) Indicate if the Applicant will rely on the financial resources of its Parent Company, if applicable.

Applicant may rely on the financial resources of its Parent Company. TDS Long Distance Corporation is solely financed by TDS Telecommunications Corp. (TDS Telecom), a subsidiary of Telephone & Data Systems.

(B-4) The Applicant must provide the following information.

1. Provide the projected total revenue expected to be generated by the provision of telecommunications services to Arizona customers for the first twelve months following certification, adjusted to reflect the maximum rates for which the Applicant requested approval. Adjusted revenues may be calculated as the number of units sold times the maximum charge per unit.

The Company considers this information proprietary and can provide the information directly to Staff if requested.

2. Provide the operating expenses expected to be incurred during the first twelve months of providing telecommunications services to Arizona customers following certification.

The Company considers this information proprietary and can provide the information directly to Staff if requested.

3. Provide the net book value (original cost less accumulated depreciation) of all Arizona jurisdictional assets expected to be used in the provision of telecommunications service to Arizona customers at the end of the first twelve months of operation. Assets are not limited to plant and equipment. Items such as office equipment and office supplies should be included in this list.

The value of Arizona jurisdictional assets for TDS Long Distance Corporation is zero.

4. If the projected value of all assets is zero, please specifically state this in your response.

The value of Arizona jurisdictional assets for TDS Long Distance Corporation is zero.

5. If the projected fair value of the assets is different than the projected net book value, also provide the corresponding projected fair value amounts.

**DESCRIPTION OF SERVICES AND RATES AND CHARGES**

**4.6 PRIVATE LINE SERVICES**

Private Line Service provides dedicated circuits which connect distant locations on the Carrier's network. These are non-switched point-to-point services over fully dedicated lines at fixed monthly rates. Facilities are offered in numerous configurations to meet the particular transmission needs of the subscriber.

**4.6.1 Dedicated 1+ Service**

**A. General Description**

Dedicated 1+ service is an outbound service designed for large business customers, who originate direct dialed calls over dedicated T-1 facilities. The T-1 is provided directly between the Point of Presence (POP) and the end-user's premise.

Intrastate services are offered in conjunction with Interstate Services.

These plans are available only to customers who are enrolled in TDS Long Distance's Interstate Dedicated 1+ Service Plan.

**B. Residential Service Offerings and Rates**

[Not available at this time]

**C. Business Service Offering and Rates<sup>(1)</sup>**

Business Select (applicable for 1 year contracts only)

Calls are billed in six- (6) second increments, (fractional seconds are rounded to next six-second increment) after a minimum call duration of six- (6) seconds. Monthly flat rates will not apply during "vacation service".

**DESCRIPTION OF SERVICES AND RATES AND CHARGES**

**4.6 PRIVATE LINE SERVICES (Continued)**

(N)

**4.6.2 Dedicated MPLS-VPN Service**

**A. General**

Dedicated MPLS-VPN Service is a packet-switched network that provides a point-to-point or multi-point service arrangement for customers requiring special high bandwidth data applications. This service is offered with various transport speeds ranging from 1.5 Mbps to 1 Gbps from one customer premise location to another customer premise location or multiple locations within the state.

**B. Conditions and Limitations**

1. The service is offered subject to the availability of central office equipment and appropriate outside plant facilities. The service may not be available to all customers and/or at all speeds due to loop length, line conditioning and/or facility availability.
2. Customers must subscribe to this service for a minimum of twelve months.
3. Rates are based on term agreements. The rates are in effect from the time the service is installed until the end of the term agreement period. Upon expiration of the term agreement period, the customer may keep the same term agreement period or select a new term agreement period. Whichever term agreement the customer chooses, the rates for that term agreement will be at the rates in effect at that time.
4. Rates will not be increased by the Company until the term agreement period expires.
5. If the service is canceled by the customer prior to the completion of the term agreement period, the customer will be obligated to pay a termination charge. The applicable termination charge will be equal to the number of months remaining in the term agreement period times the monthly rate provided under the term agreement. Termination charges will not apply, if the customer replaces the service with comparable service and a term length that is equal to or greater than the original term agreement period.
6. If the applicant requests a different type of construction, equipment or facilities other than what is normally provided, the applicant may be assessed the costs of such arrangement.

**4. Burstable Bandwidth Charges**

Burstable Bandwidth allows the customer to temporarily exceed the fixed capacity availability during periods of high demand.

- a. Burstable Bandwidth is available to fractional DS3 and OC3 customers.
- b. The minimum fixed usage for a fractional DS3 is 13 Mbps with a maximum burst to 45 Mbps.
- c. The minimum fixed usage for a fractional OC3 is 46 Mbps with a maximum burst to 155 Mbps.
- d. Additional usage based bandwidth for fractional DS3's and OC3's will be assessed per Mbps.
